Statement from Bon Jovi regarding Bon Jovi 2020 tour:

“Due to the ongoing global pandemic, it is no longer feasible for Bon Jovi to tour this summer. Given these difficult times, we have made the decision to cancel the tour entirely. This will enable ticket holders to get an immediate refund to help pay their bills or buy groceries. These are trying times. You’ve always been there for us and we’ll always be there for you.

We look forward to seeing everyone again on tour when we can all safely be together. We will continue to send out news and updates on Bon Jovi touring in the weeks and months to come.”
