

Nitro Circus Live

Nitro Circus Live's latest creation takes things to a whole new level, as the best athletes in freestyle motocross (FMX), BMX, and more unite for a spectacular all-new production. Starring 17-time X Games medalist Travis Pastrana, the tour will feature unbelievable tricks, insane stunts and the craziest contraptions ever, plus a whole new repertoire of daredevil fun.

Also, look out for a host of outrageous contraptions — including trikes, a tall bike, a couch and more — all launching from the jacked-up, bigger than ever Nitro Gigant-A-Ramp.

To top it all off, for its latest event Nitro is going **really** retro, with the entire performance choreographed and styled as a 1920's three-ring circus. Painstakingly developed over the past five years, this stunning new set and Nitro-composed soundtrack will transport you into the past, to an eerily haunting, abandoned, derelict Big Top. This all-new theme provides the perfect backdrop for the Nitro crew's aerial feats.

Believe us when we say, you have never seen a Circus like this before.
